## Post Results Services – Summer 2024

The following information explains what may happen following an enquiry about the result of an examination. Please read this information carefully. It could have serious implications for your future.

### Reviews of Results (RoRs)

If your examination centre makes an enquiry about the result of one of your examinations, after your subject grade has been issued, there are three possible outcomes;

- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received (*Cost is refunded if the final overall grade changes*).
- **Your original mark is lowered, so your final grade may be lower than the original grade you received** (*Cost is refunded if final overall grade changes*).

### **GCSE**

There are four options:

1. **Priority Access to Scripts** - To help heads of department or you to decide on a possible Review of Marking. The deadline is midday on **Wednesday, 4 September 2024**.
2. **Review of Marking** - This reviews the original marking and also includes a clerical re-check. The deadline is midday on **Wednesday, 25 September 2024**.
3. **Clerical Re-check** - This checks all the clerical procedures e.g., all questions have been marked, totals correctly added up and correctly recorded. The deadline is midday on **Wednesday, 25 September 2024**.
4. **Access to Scripts** – Copy of original marked paper. The deadline is **Wednesday, 25 September 2024**.

Candidates must complete and sign a Candidate Post Results Service Request Form (attached) before any review of results can be made. This indicates that you have understood what the outcome might be.
